Dear Sir:

RESPONSE

Responsive to the Office Action mailed July 16, 2002, in the above-identified patent application, which Office Action required restriction between Group I including claims 1-33 drawn to a reduced glare, conductive coated panel and Group II claims 34-50 drawn to a method of making a reduced glare, conductive coated panel, Applicant hereby elects Group I including claims 1-33 drawn to a reduced glared conductive coated panel for prosecution in the present application. This election is made without traverse.

Accordingly, an action on the merits of claims 1-33, and a Notice of Allowance for such claims is respectfully requested.

Respectfully submitted,

CATHERINE A. GETZ
